

# 2022 MID-YEAR HOLIDAY ASSIGNMENTS

## 3 Express & Normal (Academic) [OOS]

Dear students,

We hope you will use the Mid-Year holidays well to rest and spend time with family and loved ones. In addition, you should use the time to consolidate what you have learnt in Semester 1 and close learning gaps through the assignments given. Please refer to the table below for the holiday assignments for the subjects you are studying. They are arranged (i) in order of deadlines and then (ii) by alphabetical order.

Task	Duration	Due Date	Completed (✓ when done)
<b><u>SCIENCE (CHEMISTRY)</u></b> To consolidate contents learnt, students are to complete the following SLS lessons. 1. SLS lesson - Reactions of Acid 2. SLS lesson - Reactions of Bases 3. Chemical Formulae Worksheet 4. TYS Topic 2.3 (complete Section B on foolscap papers)	3 hours	26th June 2022	<input type="checkbox"/>
<b><u>HISTORY (HUMANITIES)</u></b> To deepen understanding of Hitler's rule in Nazi Germany, read up pages 91 - 106 of the History textbook and complete the learning package on SLS.	2 hours	26th June 2022	<input type="checkbox"/>
<b><u>ADDITIONAL MATHEMATICS</u></b> To consolidate Additional Mathematical knowledge and procedural skills acquired in Semester 1 as well as preparing well for Semester 2 academically, self-learn the Binomial Theorem chapter. Refer to the instructions on the green paper provided by your subject teacher.	2 hours	First Additional Math lesson in Term 3	<input type="checkbox"/>
<b><u>ART</u></b> <b><u>A. Recording Multiple angles:</u></b> 1. Take 6 different photos of an object from different angles and print out the photos.			

Task	Duration	Due Date	Completed (✓ when done)
<p>2. Complete 6 A5 drawings of the object from different angles.</p> <p><b>B. Artist Reference</b></p> <p>1. Find and print 6 artists' works you enjoy.</p> <p>2.
